## This Little Light of Mine

This little light of mine, I'm gonna let it shine

This little light of mine, I'm gonna let it shine  
**A7** **D** **G** **C** **G**  
Let it shine, let it shine, let it shine

**G**  
Monday, He gave me the gift of love  
**C**  
Tuesday, peace came from above  
**G**  
Wednesday, He told me to have more faith  
**D**  
Thursday, He gave me a little more grace  
**G**  
Friday, He told me just to watch and pray  
**C**  
Saturday, He told me just what to say  
**G** **Em**  
Sunday, He gave me the power divine  
**A7** **D** **G**  
To let my little light shine

The Light that shines is the light of love  
Lights the darkness from above  
It shines on me and it shines on you  
And it shows what the power of love can do  
I'm gonna shine my light both bright and clear  
I'm gonna shine my light both far and near  
Where there's a dark corner in this land  
I'm gonna let my little light shine

# Mountain of God

## Intro/Interlude

D-0-----0  
A----4--2----0-2-4-- x2  
E-----

**D** **D/C#**  
Come let us go to a place that is pure  
**G/B** **A**  
To learn about love and wipe away tears  
**D** **D/C#**  
He'll melt swords of steel and hearts made of stone  
**G/B** **A**  
He'll set prisoners free and give strangers a home

## Chorus

**G** **D**  
So come, come as you are  
**G** **D**  
Oh come from near and far  
**G** **D**  
Oh, come, salvation we'll taste  
**C** **G** **D**  
As we climb the mountain of God

From each corner and end of the earth  
We'll gather together to sing of Your worth  
Of blind who can see and weary who rest  
Good News for the poor, freedom for oppressed

New life awaits for those who believe  
All who love mercy, do justice, walk humbly  
With Christ as our guide, united we'll be  
Living the Kingdom, secure in God's peace

## A Place in the Choir

**G**

All God's creatures got a place in the choir

**D**

**G**

Some sing low and some sing higher,

**C**

**G**

Some sing out loud on the telephone wire,

**D**

**G**

**C**

Some just clap their hands, or paws,

**G**

Or anything you got now

Listen to the bass, that's the part on the bottom  
Where the bullfrog glumps and the hippopotamus  
Moans and groans with a big t'do  
The old cow just goes moo...

The dogs and the cats take the part in the middle  
Where the hummin' bee hums and the cricket fiddles  
The donkey brays and the pony neighs  
The wild coyote howls...

Listen to the top with the little birds singing  
The melody and the high notes ringing,  
The screech owl hollers up above the trees  
The jaybird disagrees...

It's a simple song of life that you sing everywhere  
With the ox and the fox and the grizzly bear,  
The great blue heron and the hawk above,  
The sly raccoon and the turtle dove...

Chorus:

Walkin', walkin', walkin' in the light  
Walkin', walkin', walkin' in the light

Walkin' in the light, ooh, ooh  
We can trust each other  
Walkin' in the light, ooh, ooh  
We can see ourselves

It's a sad situation; people running scared  
It's a crazy mixed up world  
Where there's nothing to fear but fear!  
(2-3-4, whad'ya think those feet are for!) (Chorus)

We always walk in darkness, forget about the day  
We're afraid to face our problems  
We're hoping they'll go away! (2-3-4...) (Chorus)

So we finally pull our heads up out of the sand  
Where there's light and warmth and sunshine  
And it's never dark again! (2-3-4...) (Chorus)
